Sealing should be done to prevent frost from destroying the wall. The sealant between the wall and foundation of the greenroom is provided and handled by customers themselves.

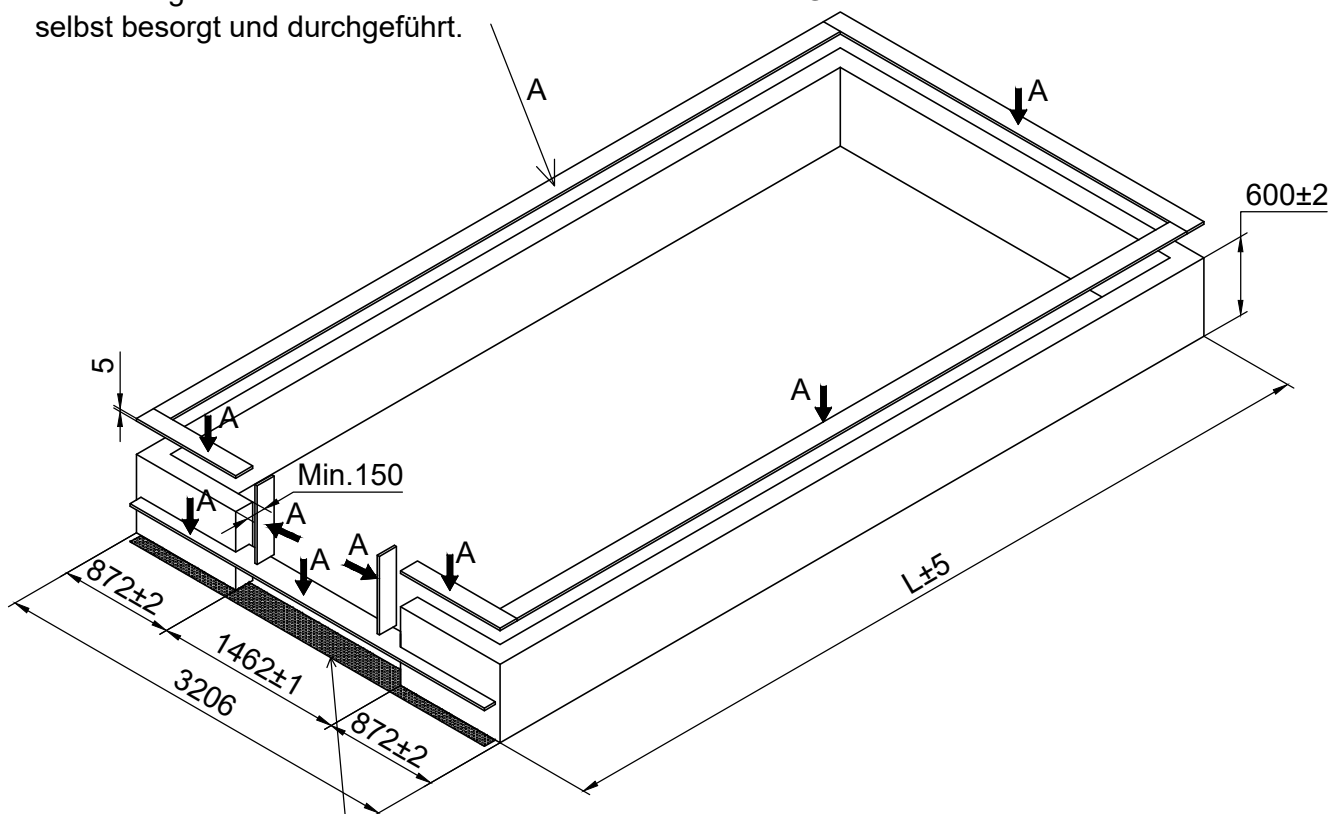

Tätning bör göras för att muren ej skall frostsprängas. Tätning mellan mur och sockel står kunden själv för.

Tætningen bør gøres for at forhindre frostsprængninger i muren. Tætningen mellem mur og aluminiumprofil står kunden selv for

En tetning bør lages for å hindre frostsprengning av muren. Tetning mellom mur og sokkel ordnes av kunden selv

Tiivistys täytyy tehdä, jotta muuri ei hajoa pakkasella. Tiiviste muurin ja sokkelin välissä täytyy asiakkaan hoitaa itse

Die Abdichtung sollte erfolgen, um zu verhindern, dass der Frost die Wand zerstört. Die Abdichtung zwischen der Wand und dem Fundament des Greenrooms wird vom Kunden selbst besorgt und durchgeführt.

Make sure the floor below the doors frame should be flat and solid.

Se till att underlaget under dörrramen är plan och på solid grund.

Sørg for, at underlaget under dørkarmen er plan og på fast grund.

Sørg for at underlaget under dørterskelen er slett og på solid fundament.

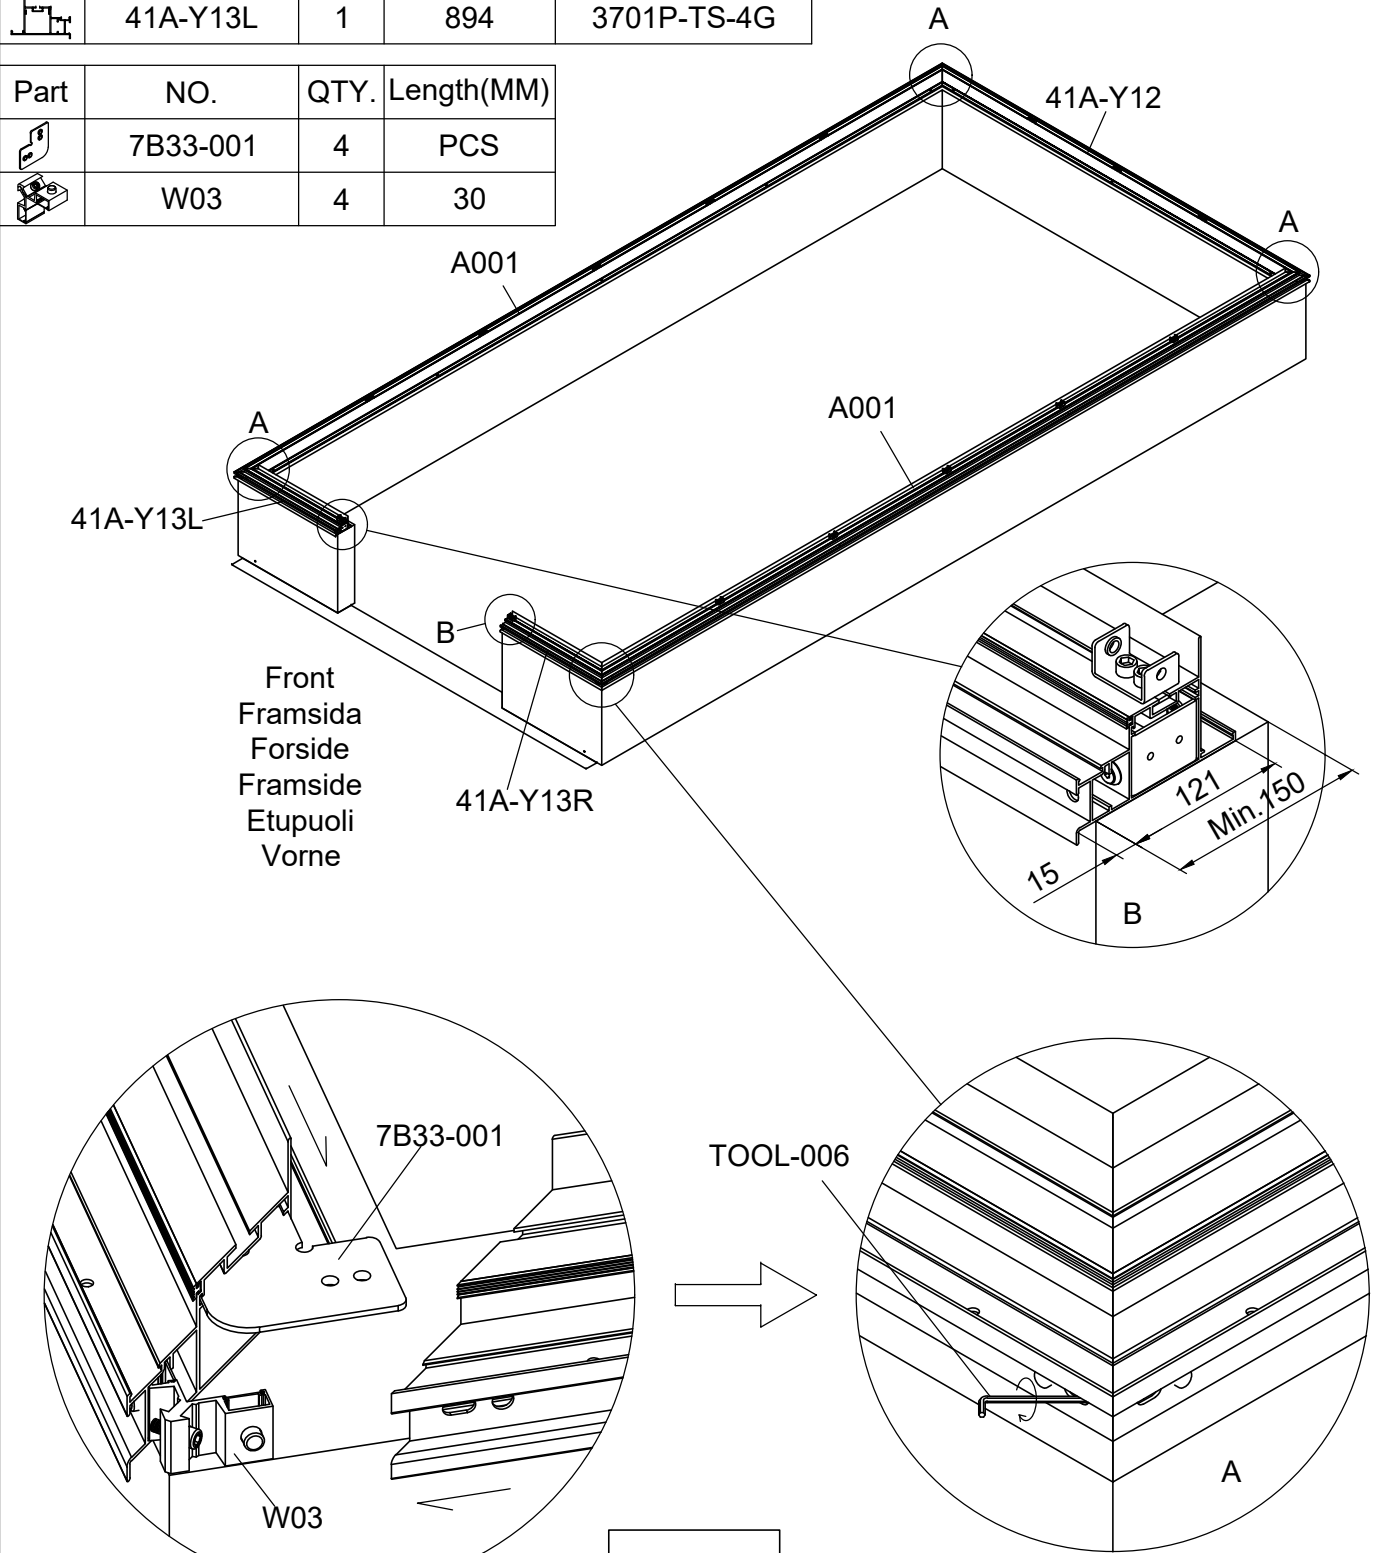

Tarkista, että maa ovikarmin alla on sileä ja tasainen.

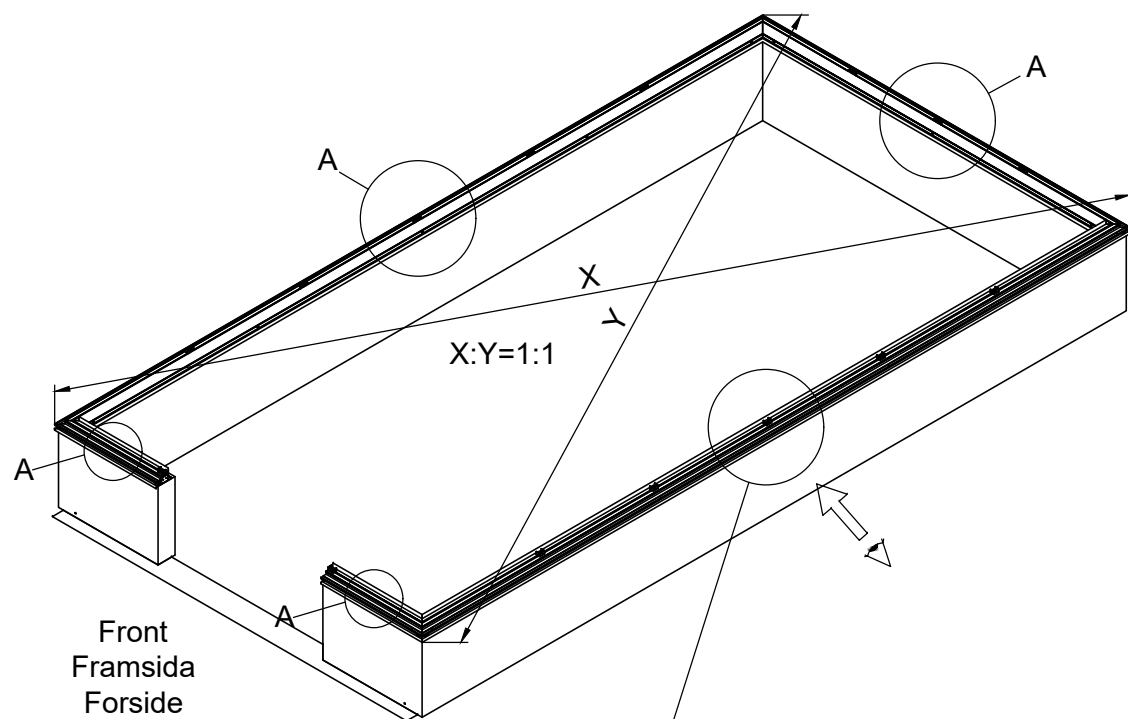

Achten Sie darauf, dass der Boden unter dem Türrahmen eben und fest ist.

If you have chosen Side Windows, please assemble them from this step.  
Please refer to the Side Window Instructions Page "7W2A-V1S 6/17 - 17/17".

Om du har valt sidofönster ska du montera dem från och med det här steget.  
Se sidan med instruktioner för sidofönster "7W2A-V1S 6/17 - 17/17".

Hvis du har valgt sidevinduer, skal du montere dem fra dette trin og fremefter.  
Se side 7W2A-V1S 6/17 - 17/17 i vejledningen til sidevinduer.

Hvis du har valgt Sidevinduer, vennligst sett dem sammen fra dette trinnet.  
Vennligst se sidevindusinstruksjonene "7W2A-V1S 6/17 - 17/17".

Jos olet valinnut sivuikkunat, kokoa ne tästä vaiheesta alkaen.  
Katso sivuikkunoiden ohjeet sivulta "7W2A-V1S 6/17 - 17/17".

Wenn Sie sich für Seitenfenster entschieden haben, montieren Sie diese bitte  
ab diesem Schritt.

Bitte beachten Sie die Anleitung für die Seitenfenster auf der Seite  
"7W2A-V1S 6/17 - 17/17".

## SH7W2A-V1S

If the Side Window is assembled on a new greenroom, please start with Page 6/17.  
If the Side Window is added to an existing greenroom, please start with Page 1/17.

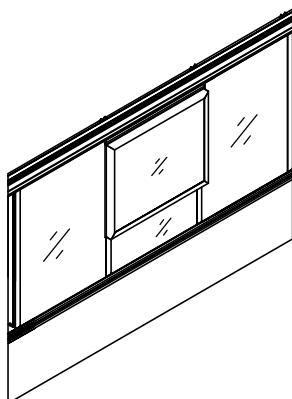

Vid montage på ett nytt Green Room, börja på sidan 6/17.  
Vid eftermontage på ett befintligt Green Room börjar du på sidan 1/17.

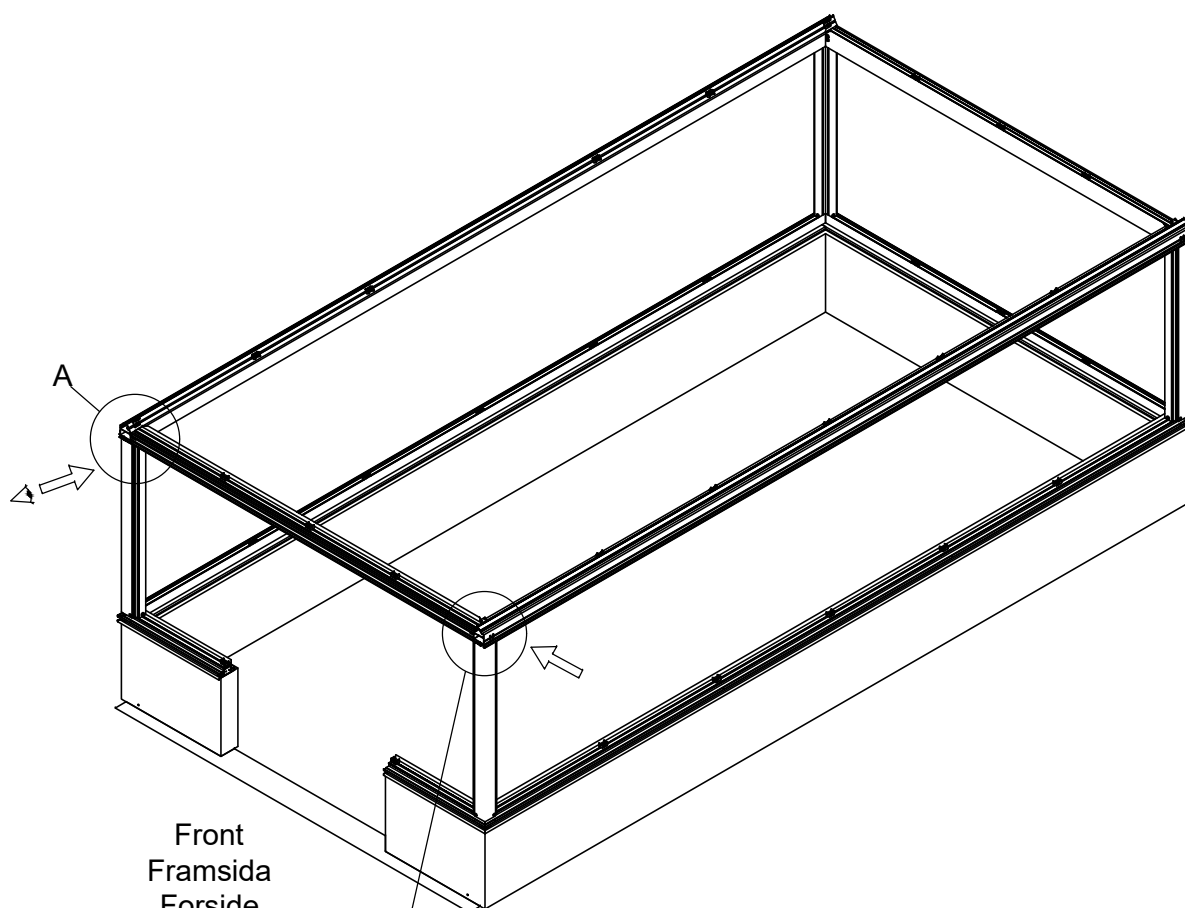

Hvis sidevinduet monteres på et nyt Green Room, skal du starte på side 6/17.  
Ved eftermontering på et eksisterende Green Room, skal du starte på side 1/17.

Hvis sidevinduet er monteret på et nyt Green Room, start på side 6/17.  
Ved eftermontering til et eksisterende Green Room, start på side 1/17.

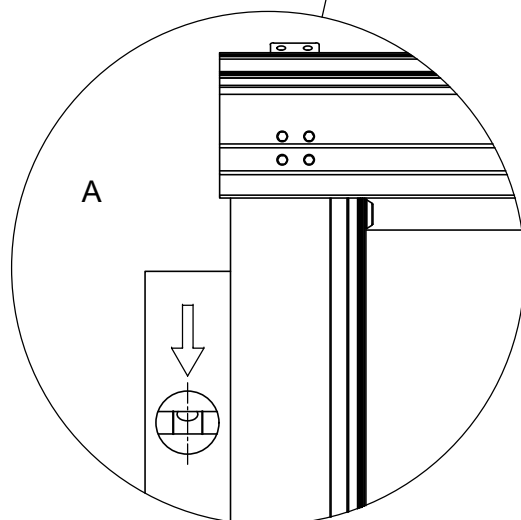

Jos sivuikkuna asennetaan uuteen Green Room, aloita sivulta 6/17.  
Jos sivuikkuna lisätään olemassa olevaan Green Room, aloita sivulta 1/17.

Wenn das Seitenfenster in einem neuen Green Room, montiert wird, beginnen Sie  
bitte mit Seite 6/17.  
Wenn das Seitenfenster in einen bestehenden Green Room, eingebaut wird,  
beginnen Sie bitte mit Seite 1/17.

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |  |

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |  |

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |  |
